Imago Dei Missions is an all-volunteer, faith-based 501c3 ministry fully funded by donations. We provide aid to vulnerable children across the state of Georgia by supplying clothing and other items free of charge. We strive to empower children in foster, adoptive, kinship and guardianship care by instilling in them a sense of purpose and recognizing that they were created in the image of God and have inherent worth and dignity. With this mission in mind, we have developed these guidelines to ensure that the children we serve have clean clothing and safe equipment to meet their needs. Your kindness and generosity will make a significant positive impact on their young lives.
